

EXPRESSIONS WAREHOUSE AND LOGISTIC GROUP COVID-19 ADVISORY

In light of the COVID-19, we will continue our normal operations however, we expect our warehouse and delivery operations to experience some delays and changes particularly on the delivery schedule in Luzon area due the new measure put in place by the government.

We are taking the necessary precautionary measures in accordance with guidelines issued by the Philippine Government for the COVID-19 public health situation.

To ensure end-to-end safety, we are observing a preventive measure in handling our In-bound and Out-bound transaction. This following precautionary measure will be evaluated on daily basis base on the Government advisory.

In-Bound

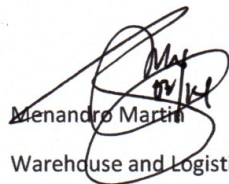

1. Central Receiving Group (CRG) still follows the receiving schedule.
2. Strick implementation of temperature checks of all Supplier's Delivery crew, any found of irregularities the deliveries will be rejected automatically.

Note : Please advise all the supplier they must also monitor their delivery crews health before proceeding with the deliveries.

Out-Bound

1. For Vis-Min area all deliveries via container are business as usual as per advice of our accredited forwarders, ship back will not be affected as well.
2. In term of via RoRo we will strictly use 2GO services temporarily to ensure the delivery, and as per company advisory they are allowed to continue their services.
3. For Luzon area, particularly the route that are IN and Out of Metro Manila, we will reduce the number of trips from the normal weekly schedules. Delivery schedules will be provided regularly as needed.
4. All stores that will be affected by the Government and Establishment Owner advisory will be bump off from the deliveries. The resumption of the distributions after the restriction removal.
5. All drivers and helpers should remain on their respective trucks before and after unloading.
6. All store-pull out are remain normal aside from those affected stores.
